

The Autism Toolbox is a free online resource developed to support the inclusion of autistic learners in Scottish Early Learning and Childcare settings, Primary and Secondary schools.

The Autism Toolbox:

- Provides up to date information, set within the Scottish educational, health and social context of autism and inclusive practice
- Provides free information, guidance, resources and professional learning opportunities for educational practitioners, schools and local authorities on autism and inclusive practice
- Provides an overview of the identification and support pathway
- Supports professional reflection and learning
